Hi,

I am Trisha from HackerEarth.

You took part in **Cambium Networks Python Hiring Challenge** and your profile has been shortlisted for further process.

Your profile has been shortlisted and shared with Cambium team. They would have a check through of the code that you have submitted for this event and also your resume.

Based on that, they will connect with you and share the interview process details.

Kindly confirm your interest and help me taking this forward from here.

Also, Follow the link(<http://www.hackerearth.com/users/profile-settings/>)to upload your resume in your HackerEarth profile and send link of the same.

Looking forward to your reply.

Regards,

Trisha Ray | Recruitment Specialist.
